Dear Ms. Otradavec:

Thank you for your contribution to SARC's tenth Annual Bull and Oyster Roast. The energy, time, and items we received from individuals and businesses in the community made the Silent Auction and Chinese Raffle a huge success. We were able to raise over \$13,000 to help provide services to victims of domestic and sexual violence.

Everyone in attendance enjoyed great food, dancing, and friends. In the true spirit of giving, the community came together to bid on items and participate in games all for a great cause!

SARC provides a 24 Hour Helpline, Counseling, Legal, Crisis Intervention, and Residential Services. With your support, we are able to continue to provide these services to the members of our community who need them and carry out our mission: "We work to end domestic and sexual violence, to aid its victims, and to create a society free from abuse and fear."

On behalf of our Board of Directors, staff, volunteers, and especially the families at SARC, we thank you for your generosity and support.

Dear Sir or Madam:

Thank you! Thank you! Thank you! How can we express our sincere gratitude?

On behalf of the children and families of St. Thomas Parish Day School, please accept our heartfelt appreciation for your contribution. With your help, the 2006 Spring Auction – Backyard Barbecue raised about \$11,000 to keep our cooperative day school operating and keep tuition affordable for all families in the area. Much of the money will be spent on necessary school supplies and equipment.

St. Thomas Parish Day School is a non-profit, self-supporting, parent-cooperative preschool and kindergarten. Our Federal ID # is 52-1132268.

Without the support of the community and other businesses, our school would not be able to continue to offer such an affordable option for families in the community. Thanks again for all your help in making this year's event such a tremendous success. We hope we can count on you again next year!

Dear Ms Otradovec:

Thank you for your generous donation valued at \$150.00 to support the 2006 Howard County Heart Ball.

This event will attract the foremost corporate, medical and community leaders of Howard County. Your donation will be listed in the night of event program, distributed to over 400 guests. Your item will be artfully displayed for all to view.

Each year, heart attack, stroke and other cardiovascular diseases claim the lives of more than half a million women — about a death a minute. That's more lives than the next 7 causes of death *combined*, and nearly twice as many as all forms of cancer, including breast cancer. With your donation to the Howard County Heart Ball Auction, you have helped us to get one step closer in the fight to help stop the reason more than 500,000 women die each year.

Since we have provided no goods or services in return for this gift, it is fully tax-deductible. Please retain a copy of this letter for your tax records.

To Whom It May Concern:

The WRC of Manatee is please to write this letter of support for WTOG TV, CW44 in Tampa Bay.

The CW 44 gives bay area non-profits the opportunity to speak about our organizations and what we are doing to make a difference in the lives of people in our community.

They produce a professional, top quality program focusing on a non profit that airs in the entire Tampa Bay area. The amount of exposure that provides to the non profits such as ours is invaluable. We do not have a budget that would enable us to buy the air time for such a program.

WTOG TV's commitment to the community is admirable. We certainly appreciate what they are doing to make Tampa Bay a great place to work and live.

Sincerely,

Ashley

To Whom it May Concern:

For the past four years, my non-profit organization, MacDonald Training Center, has had the distinct pleasure of being involved with CW44/WTOG-TV. Since 2004, the station has served as a media sponsor for our annual wine tasting fundraiser, "All That Glitters". Their in-kind support has included lengthy promotional segments on their Bayside show, as well as the running of 10 and 15 second ad spots.

But their commitment to the Center goes much deeper than that. They have become true friends. Time and again, they have continually gone above and beyond their "sponsor roles". Greg Blackburn has even worked to secure silent auction donations on our behalf!

CW44's in-kind donation means a great deal to us, as it helps to promote our event, but their enthusiasm and support means so much more. We are extremely proud to be associated with the station and lucky to count them as friends.

Sincerely,

Marianne Monoc
Director of Development

Erma,

Please accept our sincere appreciation for all WTOG has done and is doing for PARC. We are so lucky to have a broadcast television company that understands the needs of the people we serve.

Thank you for supporting our recent Golf Tournament and for your ongoing promotional service announcements.

Again, it is such a pleasure to have a broadcaster in our area that is so committed and responsible for raising awareness about the needs of people living with a developmental disability.

We look forward to more opportunities to partner with WTOG in the near future.

Sincerely,

To whom it may concern:

It is with sincere appreciation that I recommend the fine work of WTOG-TV regarding to the Rotary Club of St. Petersburg, the oldest civic organization in Pinellas County. The Rotary Club, Downtown St. Petersburg, was founded in 1920 and has been the choice of civic service for many mayors, city council members and county commissioners. We proudly claim Florida Governor Charlie Crist as one of our former members.

As a club, we have worked with WTOG-TV to educate the populace about the many civic and charitable projects that we have undertaken over the last several years. Since our working arrangement began in 1998, our club presidents, officers and project chairs have appeared on Bayside, WTOG's public affairs programming. We have educated the public about fund raisers to support Academy Prep, a school for disadvantaged youth; to purchase shelter boxes for use in disaster areas around the world; to support the construction of a new YMCA; to contribute to a new wing at All Children's hospital and many, many other civic ventures that make our city a better place to live.

WTOG has always stepped forward to do their part and more in providing the club with a forum to get people involved. We have recruited several new members after they have seen the broadcast.

As a former president and board member of the Rotary Club of St. Petersburg, it is my pleasure to commend them for their service to the community.

Sincerely,

Robert J. Carter
